Ithaca, NY 14850

Re: Hazardous Material Report for CNG Transmission Corp

Dear Allan:

As you may or may not be aware, the CNG Transmission Facility at 219 Ellis Hollow Creek Road, Town of Dryden have been given permission to construct a 3500 square foot cold storage structure at the 219 Ellis Hollow Creek Road facility.

In general, the structure will be an open area storage building with no utility services installed.

Since items to be housed require a 209-U Form to be filed with you and with us, please find enclosed a copy of same. The original is on file at our office within the building permit project file.

If you should have any questions or desire further detail, please feel free to call our office as necessary at 844-9120 8:00 AM - 1:00 PM Monday - Friday.

Very truly yours,

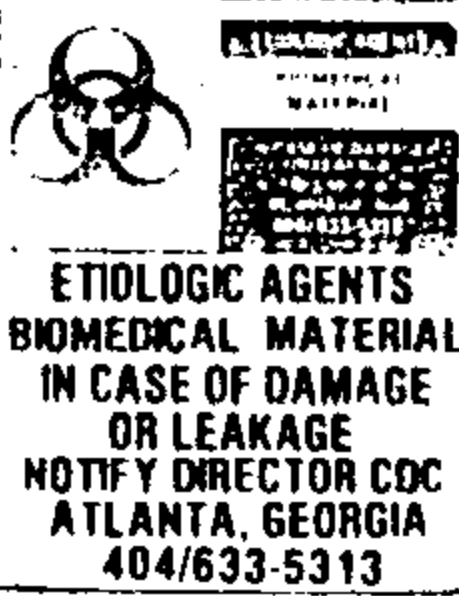

Henry M. Slater

Henry M. Slater
Zoning & Building Code Enforcement Officer

VI Special Considerations/Remarks:

NEW YORK STATE DEPARTMENT OF STATE
OFFICE OF FIRE PREVENTION AND CONTROL

HAZARDOUS MATERIALS REPORT FORM
(General Municipal Law, § 209-u)

The information entered herein is essential to your local fire chief for the protection of your employees, the fire-fighters and citizens in the immediate area, and to reduce damage to your property in the event of a fire or an emergency.

Every fire insurance policyholder, engaged in commerce in this state, is required by law to report the presence of hazardous materials at their business address.

Failure to file in accordance with the provisions of section 209-u of the General Municipal Law could result in a fine.

A separate report is required annually for each business address.

WHEN COMPLETED, THIS FORM MUST BE SENT TO YOUR LOCAL FIRE DEPARTMENT.
